## DANIELSON

Work on Underground Telephone to Begin Soon—Selectmen's Expenses for the Year \$1,354—Albert-Uhl Engagement Announced—Funeral of Mrs. W. R. Campbell.

Edward Theriault, of Providence, formerly engaged in the grocery business in Danielson, visited with friends here Wednesday.

Mrs. Esther Jacobs is to leave Danielson this week to make her home in Buffalo, N. Y., where her son Oliver is employed.

Mr. and Mrs. Frank Keech have returned from a stay at their cottage at Oakland Beach.

Miss Ruth Burroughs is to go to Hartford Saturday to commence a course in business college.

State Policeman W. E. Jackson of Williamstown was a visitor in Danielson Wednesday.

## Attended Fair.

Dr. Byron Sweet, representative in the legislature from Griswold, was at the Brooklyn fair Wednesday.

Miss Mary E. Kelley of Dayville is again teaching in Torrington this year.

Misses Edythe and Lillian St. John have returned to their home in Jersey City after a visit in South Killingly.

Miss Ethelyn Downs of Dayville has been visiting relatives on Long Island.

## Harvest Supper.

The Ladies' Aid society of the Congregational church at Dayville held a harvest supper in the vestry Wednesday afternoon and evening.

Ira Warren has entered the employ of William S. Brown as electrician at the Orpheum theatre.

There is to be an Old Folks' service at the Baptist church, beginning at 11 o'clock Sunday morning.

Danielson riders were entered for the motorcycle races that were run off at the fair grounds in Brooklyn on Wednesday afternoon.

A meeting of the members of Sarah Williams Danielson chapter, D. A. R., is to be held this (Thursday) afternoon.

Exhibits by several Danielson women, all new work, are in the ladies' department at the Brooklyn fair.

Music at the Brooklyn fair on Wednesday was by the Plainfield band, which was heard for the first time by many from this section.

## Hayes Still Missing.

While it was announced a few days ago that W. P. Hayes, the absconding telegraph operator, would be arrested and brought back to Danielson, he seems to have slipped away from almost certain arrest.

There is to be a hearing before Judge Oliver E. Getty in the probate court Saturday, on the application of the administration of the estate of Marshall P. Dove for authority to sell certain real estate thereof.

The seats are being placed in position in the Orpheum theatre, which will probably be ready to open in about ten days. All shows will be booked through a New York agency, supplying attractions to theaters in many states.

## Looked Like Speedway.

The four miles of highway between Danielson and Brooklyn looked much like a speedway during the daylight hours of Wednesday and one might have been led to believe that the flying automobiles were competing for the Vanderbilt cup. The illusion would also be strengthened by the fact that here and there might be seen a "lame duck," stalled by tire or engine trouble. There were no accidents in spite of the speeding.

## To Utilize Strip of Ground.

The school committee will consider a suggestion from Principal Robert K. Bennett that the strip of ground in the rear of the high school building be put in such condition that it may be used by the students for light athletic exercises. This can be done with very small expense and will be greatly appreciated by the young men, who have no gymnasium in the school, as

the case at the new building in Putnam.

## UNDERGROUND TELEPHONE LINE

Construction to Begin Soon in This Section.

John Macdonald, an agent of the A. T. & T. Co., was in Danielson Wednesday and was quoted as saying that work may begin at any time now on the construction of the underground telephone line between New York and Boston; that is, begin in this part of the state. Several large gangs of men are now engaged in construction work at various points along the route and a gang may be transferred here any day. The line will come into Killingly from Brooklyn, run through Franklin street to South Killingly and eastward to the Rhode Island line.

Competing Autos for Fair Traffic.

Automobiles, garage and private, from Danielson, Putnam, Norwich, and Williamstown, entered into competition in Brooklyn Wednesday for the business of carrying passengers to the fair at Brooklyn, and all of them that managed to stick through the day made good money. As a matter of fact, the cars practically drove the horse-drawn vehicles from the field. One owner stated late in the afternoon that he had driven his car nearly 150 miles, back and forth between this place and the fair grounds. The road is all macadam, in good condition, and fast round trips were possible and profitable. Twenty to thirty dollars was the average earnings of the cars.

Expenses \$1,354.10.

Account Paid Selectmen for the Year—\$352.40 for Transportation.

The following is the account of the selectmen of Killingly and transportation charges for the fiscal year recently closed: John A. Gilbert, 12-1-2 days, \$318.63; transportation, \$45.95; Sidney Bastow, 4-1-2 days, \$116.25; transportation, \$35.30; Charles E. Ayer, 11-2-8 days, \$23.44; transportation, \$78; John Ayward, 7-5-9 days, \$191.39; transportation, \$57.20; Harley S. Place, 34 days, \$85; transportation, \$29.70; Patricia Riley, 23-8-9 days, \$53.32; transportation, \$7.10. This makes the total for the selectmen's service \$1,354.10, and the total for transportation \$352.40. The selectmen are paid at the rate of \$2.50 a day, which is not excessive.

## PUTNAM

Trespassing Peach Pickers Sent to Jail—Ernest M. Arnold Testifies to Owning Several Hundred Thousand Dollars or So—Berent Case Settled Out of Court.

Wednesday morning William Daly, James Mansfield and William Torrey, peach pickers at the orchards at Woodstock, were before the city court, charged with drunkenness and camping on private property without the permission of the owner. All three pleaded guilty to the first and not guilty to the second count.

They said a man had told them they might go in through a window of the house and stay there. Officer Cordier testified that the owner of the house complained that persons were in the house and wanted them out. The officer went to the house and found that the men had broken a window and gained admission and were lying on the floor of one of the rooms, drunk.

Owing to the difference in the testimony as to how the three got into the house, the second count was not considered and the first count, each was sentenced to 30 days in jail and costs.

## SUPERIOR COURT.

Ernest M. Arnold Testifies in Case of Holbrook vs. Blackmar.

An adjourned session of the superior court was held Wednesday morning at 10.30.

A jury was empaneled for the case of George F. Holbrook, trustee, vs. Charles S. Blackmar of Attawaugus. Attorneys Torrey and Harvey represented the trustee and Attorney Searis appeared for the defendant.

This is, in a sense, a test case, brought by the trustee of the bankrupt estate of Ernest M. Arnold against Charles S. Blackmar to recover \$200 which Arnold paid Blackmar about June 15, 1910, in part payment of a check for \$654. The trustee desires that the payment be set aside on the ground that it was paid within four months of Arnold's bankruptcy (Oct. 1911) and that Blackmar had knowledge of the condition of Arnold's affairs and that the transaction in effect made Blackmar a preferred creditor.

Ernest M. Arnold was on the stand all day, and underwent a grilling and thorough examination regarding his affairs. Many times his memory failed him, and to numerous questions his reply was that he did not know; he could not remember.

Mr. Arnold was examined at great length regarding his indebtedness, the value of his real estate and number of creditors on June 1, 1910.

He said he was a few hundred thousand dollars in debt, but that was as near as he could fix the amount. He didn't know the value of his real estate, and as to the amount knew only that he owned a lot in Brooklyn, N. H., and numerous lots and houses in this city. As to creditors, he said he had over 7,500 clients and could not remember particular deals or transactions. He also explained at length his "participating" and "special" accounts.

The note Arnold gave Blackmar was put in evidence. It developed that Blackmar gave Arnold about \$600, for which he received a check for \$654, as Arnold anticipated profits which would warrant this gratuity of about \$50.

During examination on this point court was adjourned until 10.30 this morning.

## HIRST VS. BERENT.

Friendly Settlement of Suit Reached—Misunderstandings Cleared Up.

In the case of Lillie Hirst against Martin Berent, a friendly settlement of the suit was reached between the parties themselves. All complaints on the one side and on the other, it is said, were due to mistakes and misunderstandings and all accusations were withdrawn by both parties. This settlement removes all charges against the good name and character of Mr.

# Why Physicians Recommend Castoria

CASTORIA has met with pronounced favor on the part of physicians, pharmaceutical societies and medical authorities. It is used by physicians with results most gratifying. The extended use of Castoria is unquestionably the result of three facts: *First*—The indisputable evidence that it is harmless: *Second*—That it not only allays stomach pains and quiets the nerves, but assimilates the food: *Third*—It is an agreeable and perfect substitute for Castor Oil. It is absolutely safe. It does not contain any Opium, Morphine, or other narcotic and does not stupefy. It is unlike Soothing Syrups, Bateman's Drops, Godfrey's Cordial, etc. This is a good deal for a Medical Journal to say. Our duty, however, is to expose danger and record the means of advancing health. The day for poisoning innocent children through greed or ignorance ought to end. To our knowledge, Castoria is a remedy which produces composure and health, by regulating the system—not by stupefying it—and our readers are entitled to the information.—*Hall's Journal of Health.*

## Letters from Prominent Physicians Addressed to Chas. H. Fletcher.

- Dr. W. L. Leister, of Rogers, Ark., says: "As a practicing physician I use Castoria and like it very much."

Dr. W. T. Seeley, of Andover, N. Y., says: "I have used your Castoria for several years in my practice and have found it a safe and reliable remedy."

Dr. Raymond M. Everts, of Santa Ynez, Cal., says: "After using your Castoria for children for years it annoys me greatly to have an ignorant druggist substitute something else, especially to the patient's disadvantage, as in this case. I enclose herewith the wrapper of the imitation."

Dr. R. M. Ward, of Kansas City, Mo., says: "Physicians generally do not prescribe proprietary preparations, but in the case of Castoria my experience, like that of many other physicians, has taught me to make an exception. I prescribe your Castoria in my practice because I have found it to be a thoroughly reliable remedy for children's complaints. Any physician who has raised a family, as I have, will join me in heartiest recommendation of Castoria."

Dr. W. F. Wallace, of Bradford, N. H., says: "I use your Castoria in my practice, and in my family."

Dr. Wm. I. McCann of Omaha, Neb., says: "As the father of thirteen children I certainly know something about your great medicine and aside from my own family experience, I have, in my years of practice, found Castoria a popular and efficient remedy in almost every home."

Dr. Howard James, of New York, City, says: "It is with great pleasure that I desire to testify to the medicinal virtue of your Castoria. I have used it with marked benefit in the case of my own daughter, and have obtained excellent results from its administration to other children in my practice."

Dr. J. R. Clausen, of Philadelphia, Pa., says: "The name that your Castoria has made for itself in the tens of thousands of homes blessed by the presence of children, scarcely needs to be supplemented by the endorsement of the medical profession, but I, for one, most heartily endorse it and believe it an excellent remedy."

Dr. B. Halstead Scott, of Chicago, Ill., says: "I have prescribed your Castoria often for infants during my practice and find it very satisfactory."

Dr. William Belmont, of Cleveland, Ohio, says: "You Castoria stands first in its class. In my thirty years of practice I can say I never have found anything that so filled the place."

Dr. R. J. Hamlen, of Detroit, Mich., says: "I prescribe your Castoria extensively as I have never found anything to equal it for children's troubles. I am aware that there are imitations in the field, but I always see that my patients get Fletcher's."

Dr. Channing H. Cook, of Saint Louis, Mo., says: "I have used your Castoria for several years past in my own family and have always found it thoroughly efficient and never objected to by children, which is a great consideration in view of the fact that most medicines of this character are obnoxious and therefore difficult of administration. As a laxative I consider it the peer of anything that I ever prescribed."

Dr. L. O. Morgan, of So. Amboy, N. J., says: "I prescribe your Castoria every day for children who are suffering from constipation, with better effect than I receive from any other combination of drugs."

Dr. H. J. Taft, of Brooklyn, N. Y., says: "I have used your Castoria and found it an excellent remedy in my household and private practice for many years. The formula is excellent."

Dr. Wm. L. Bosserman, of Buffalo, N. Y., says: "I am pleased to speak a good word for your Castoria. I think so highly of it that I not only recommend it to others, but have used it in my own family."

Dr. F. H. Kyle, of St. Paul, Minn., says: "It affords me pleasure to add my name to the long list of those who have used and now endorse your Castoria. The fact of the ingredients being known through the printing of the formula on the wrapper is one good and sufficient reason for the recommendation of any physician. I know of its good qualities and recommend it cheerfully."
